The 7th Annual Sin City Chamber Holiday Party Held at Meet Las Vegas was a Winter Wonderland

The Sin City Chamber celebrated its 7th Annual Holiday Party in style at Meet Las Vegas. Meet Las Vegas is the most amazing conference, expo and event center in Las Vegas. It is truly a state-of-the-art facility. The food was plentiful and delicious and the service was superb. The staff of Meet turned the room into a winter wonderland that inspired a real holiday mood. Angel, www.vegasdj.com provided the background music. Friends and Family of Incarcerated Persons were some of the recipients of the children's toys that were donated by the attendees of the party. It was a wonderful party and we feel sorry for anyone that missed it! Meet Las Vegas is the place to hold any event or party and we were so happy to be able to hold our 7th Holiday Party at this amazing venue.

"Here is some pics of the kids when we passed out the gifts from the Chamber. I had a friend of mind play Santa. When we were passing out the gifts from the Chamber, I heard the 4 year old tell the 6 year old, "I told you there was a Santa Clause". The kids, 7 of them, thanks the chamber for their Christmas. These kids did not have a Christmas last year. Jim Diss"

The Sin City Chamber would like to thank the "Santa's" out there who helped make many needy children happier this Christmas by donating to our Holiday Toy Drive. Thank You.

Sin City Speaks "Stars" of AEE

The Adult Entertainment Expo was fun and exciting as always and the Sin City Chamber's booth was the place to stop by. We shared the booth with Meramak Credit Card Processing Company and the ladies from the World-Famous Chicken Ranch Brothel were there to sign autographs and take pictures with the attendees. But it was so much more fun for us with Sin City Speaks and doing the interesting and entertaining interviews with several of the vendors at the event. We were the only vendor there that was doing radio broadcasting and it drew quite a crowd. Listen to some of the fun we had at www.sincityspeaks.com.
